1. Guest Lecture: Guidance Regarding GATE Examination

Speaker: Mr. S. Trinath

Designation: Associate Professor IIIT Hyderabad

Date: 19th July 2016

Time: 1.30 pm - 2.30 pm

Venue: Seminar Hall-514

Total No. of Present students: 98 TE (First Shift)

Department of Computer Engineering, MESCOE had organized guest lecture on GATE Exam Guidance on 19th July 2016 under CSI Student Chapter. Prof. Trinath from IIIT, Hyderabad shared his knowledge regarding GATE exam and how GATE exam is helpful for students to get better job in public/private sector and also for higher studies.

Session highlights some of benefits of GATE Examination:

2. Guest Lecture: Introduction of Agile/Scrum Methodology

Speaker: Mr. Tapan Mondal

Designation: Agile/Scrum trainer at Ness Wadia College of Commerce, Pune.

Date: 20th July 2016 **Time:** 1.00 pm-2.00 pm **Venue:** Class Room (407)

Total No. of Present students: 75 (TE & BE Second Shift)

Department of Computer Engineering, MESCOE has organized guest lecture on Introduction of Agile/Scrum Methodology for TE & BE Shift on 20th July 2016.

Scrum a framework within which people can address complex adaptive problems, while productively and creatively delivering products of the highest possible value. Scrum is: Lightweight Simple to understand Difficult to master Scrum is a process framework that has been used to manage complex product development since the early 1990s. Scrum is not a

process or a technique for building products; rather, it is a framework within which you can employ various processes and techniques. Scrum makes clear the relative efficacy of your product management and development practices so that you can improve.

3. Guest Lecture: Nonverbal Communication and interview skills.

Speaker: Mrs. Neha Saxena

Designation: Communication Professional

Date: 29th July 2016

Time: 11.00 am-1.00 pm

Venue: Seminar Hall-514

Total No. of Present students: 102 SE (First Shift)

Department of Computer Engineering, MESCOE has organized guest lecture on Non Verbal Communication and soft skills under CSI Student Chapter on 29th July 2016 on 11.00 am 1.00 pm. The speaker focused on nonverbal communication and soft skills like- Ethice, Etiquette, Nonverbal Communication and Handshake Etiquette

4. Guest Lecture: Introduction of Machine Learning.

Speaker: Mr. Gautam Mainkar

Designation: Analyst Harbinger Systems, Pune

Date: 19th September 2016

Time: 11:00 am – 12:30 pm

Venue: Seminar Hall-509

Total No. of Present students: 102 (BE First Shift)

Department of Computer Engineering, MESCOE had organized guest lecture on Machine Learning on 19th September 2016 under CSI Student Chapter. Mr. Gautam Mainkar, Analyst from Harbinger Systems, Pune shared his knowledge in the Machine Learning area. Students got exposure to the research work that is getting carried out in the machine learning area in Harbinger Systems and it was very useful in framing and finalizing the project statement of the final year project. Students got various ideas in real world scenario which they could take up for their BE Projects.

5. Guest Lecture: Guidelines for Higher Studies

Speaker: Ms Rashmi Patil

Designation: Sr. Manager Global Opportunities Pvt Ltd

Date: 25th Jan 2017

Time: 1.00 pm - 2.00 pm

Venue: Seminar Hall-509

Total No. of Present students: 110 TE

Department of Computer Engineering, MESCOE has organized guest lecture on Guidance for Higher studies with the association of CSI.

The objectives of guest lecture were to provide Career Guidance for students to identify right Job Opportunities in future. Guidance for higher education courses like MS and Phd. Preparation process for Quantitative Aptitude and etc.

6. Guest Lecture: "Introduction of Deep Learning"

Speaker: Mr. Prathamesh Kalamkar **Designation:** Data Scientist at Capgemini

Date: 22nd Feb 2017 **Time:** 8.30 am - 9.30 am **Venue:** Seminar Hall-509

Total No. of Present students: 118 BE & TE

Department of Computer Engineering, MESCOE had organized guest lecture on Deep Learning on 22nd February 2017 under CSI Student Chapter. Mr. Prathamesh Kalamkar, Manager, Data Science from Capgemini, Pune shared his knowledge in the Deep Learning area. Students got exposure to the research work that is getting carried out in the deep learning area in Capgemini and it was very useful in framing and finalizing the project statement of the final year project.

The main objective of this guest lecture is to understand useful concepts in deep learning as well as AI and Machine learning and its applications in real world scenarios.

7. Guest Lecture: Guideline Selecting BE project

Speaker: Mr. Narendra Rajput **Designation:** Sr. Soft Engg. Bigbinary Pvt Ltd.

Date: 20th March 2017 **Time:** 1.00 pm - 2.00 pm **Venue:** Seminar Hall-509

Total No. of Present students: 156

A guest lecture on “Guidelines for Selecting BE project” was successfully arranged and conducted with an excellent interactive session on 20th March 2017, by Department Of Computer Engineering, MESCOE, under CSI Chapter, and participation from students of all TE students. Felicitation of the speaker, Mr. Narendra Rajput (senior software Engg. At Bigbinary Pvt Ltd), by hands of Prof S.S. Raskar

1. Parent Meeting

Date: 8th August 2016

Time: 12.00 noon

Venue: Lab 302 and 304

Parent Teacher meeting for all students of Computer Department was held on 8th August 2016 at 12.00 noon. In this meeting interaction of Parent teachers and class teachers of all classes with parents of students was arranged. Meeting started with the address of HoD and followed by the interaction session with parents.

All the parents of students having attendance less than 50% were called for meeting by sending them the letter giving information about their ward attendance. Parent Teachers discussed about less attendance of student and other issues about students with parents individually. All parents assured about improvement in attendance of students during meeting.

2. ACE Event: “ALPHA QUEST 2016”

Date: 14th September 2016 & **Time:** 09.00 am to 05:00 pm

Venue: MESCOE Building

Objective:

The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Visvesvaraya "Engineering Challenges for Knowledge Era" is the theme of Engineers Day 2016.

Summary:

An inter-college technical event/competition organized by ACE (The Association of Computer Engineers) of the Computer Department. Four different events run in parallel over the course of a day. Each event is managed by 2 coordinators, 4 or more volunteers as well as 1 teacher/staff coordinators.

The event commenced with inauguration by the hands of the Principal Dr. A. A. Keste, Vice Principle Dr. V. N. Raibhole, Head of Department Dr. Mrs. N. F. Shaikh in the presence of the staff and the student coordinators. This was followed by rounds of events running simultaneously in different class.

The five events for the day were: Mind Works a memory game, Super-Hero Quiz , an aptitude test related to superhero's and comics, Google Hunt Event to test participant's skills, reasoning and power to voice their ideas, Bull's Eye Event game to test a participant's aim and accuracy and Beats a Musical quiz event.

All events saw great participation with the total number of registrations coming from publicity prior to the event as well as on-the-spot registrations. All participating students were awarded with certificates and winners with Pen Drives.

3. ACE Event: “Digital Renaissance”

Date: 13th & 14th February 2017 **Time:** 9.00 AM to 06.00 PM

An Intra-college Technical & Gaming event/competition organized by ACE (The Association of Computer Engineers) Computer Department in association with CSI-Student Chapter. Eight different events run in parallel over the course of two days. Each event is managed by 2 coordinators, 4 or more volunteers as well as two teacher/staff coordinators.

The event commenced with inauguration by the hands of the Principal Dr. A. A. Keste, Vice Principle Dr. V. N. Raibhole, Head of Department Dr. Mrs. N. F. Shaikh in the presence of the staff and the student coordinators. This was followed by rounds of events running simultaneously in different class. All events saw great participation with the total number of registrations coming from publicity prior to the event as well as on-the-spot registrations. All participating students were awarded certificates and winners, with memento and cash prize.

4.SPPU OR/PR Examination: Subject Chairman Meeting

Department of Computer Engineering MES College of Engineering Pune conducted Subject Chairman Meeting of OR/PR Examination (Oct. 2016) on 28th September 2016, from 9.00 am to 3.00 pm. The aim of conducting such meeting was to avoid the conflict in program and smooth conduction of oral/practical examination in all colleges. Subject Chairman of respective course prepared OR/PR program and filled all details of program in master sheet.

5.Industrial Visit for BE Computer Engineering Students

Date: 27th March 2017

Time: 11:00 am to 01:00 pm

Total No. of students: 97

Venue: Sebiz Square International Chandigarh.

The one day Industrial visit was organized for Final Year Computer Engineering with prior permission of Sebiz Square International Chandigarh, on 27th March 2017. Total 97 students visited company along with five Faculty members (Prof. S. G. Mankhair, Prof. S. A. Salve, Prof. S. A. Hirve, Prof. S. R. Balwan & Prof. A. D. Dhawale).

The objective of industrial visit is to help students gain firsthand knowledge regarding functioning of the industry which presents the students with opportunities to plan, organize and engage in active learning experiences both inside and outside the classroom.

Mr. Sandeep Sharma (Senior Manager) conducted very informative session for the students. In whole session he motivated students to select their domain and area of interest. We are passionate about building next generation software solutions that leverage the full capabilities of Web, Mobile and Cloud. We understand businesses are facing a dynamic change in landscape where customer and employee requirements are changing very fast. Three trends that have changed the markets and driving the shifts are – Mobile, Social and Cloud. Our software development solutions include mobile apps for iOS and Android platforms and a wide range of web applications including responsive websites, ecommerce portals, enterprise applications and more.

Finally he also brief about company and gave information about various on-going projects that the company is carrying out with various governments and private partners. He had shown interest in conducting campus interview for final year students in our college campus.

The session was concluded with Question- Answer session. Many of the students asked different Questions to the Technical Head on current demanding technologies, market scenarios etc .and he cleared all the doubt and myths which was in students mind about the technologies and IT sector. All students were satisfied after the session.

6. Mini Project Competition

Date: 10th April 2016 **Time:** 10:00 AM to 12.00 PM **Venue:** Computer Center -518

Total No. of Groups Participated: 25

One Day mini project competition for First Year Engineering students was successfully organized by Department of Computer Engineering, Modern Education Society's College Of Engineering, Pune.

Objective of Activity:

- i. To bring innovative thoughts/ideas of students in Practice
- ii. Students should be able to apply algorithms and principles of Computer Engineering for design and development of product / project.

iii. Students should be able to understand practical difficulties in development of product / project.

iv. Students should be able to work in team.

About the Event

MES College of Engineering, Pune organized the Mini Project Competition. Students from first year engineering (All Branches) showcased their projects in this event. The projects were evaluated by expert faculties from Computer Department. The contestants were judged on various criteria where they demonstrated their projects and ideas. The judges for this event were: Prof. Kiran Nagargoje, Prof. Sneha Pisey and Prof. Mahesh Shinde

There were total 11 groups shortlisted for this final round of mini project competition.

1. Day Celebration: “AZAADI 70” “INDEPENDENCE 70” under the theme “Yaad Karo Qurbani”.

S N.	Activity	Date	Description
1.	Debate Competition 1. Azaadi 70 (70 years of Independence). 2. Do women have freedom right after 70 yrs of Independence? 3. How far is competition necessary in regards to the learning process? 4. What is the religion of criminals? 5. Does celebrity get away with crime easily than the common man? 6. Uniform Civil Code.	13/08/2016 12:00 pm to 4:00 pm	Each team comprised of two members each, one for and one against. Total 7 teams participated. 4 teams participated and expressed their views on "Do women have freedom right after 70yrs of Independence"; which was the most discussed topic. Many Points were highlighted by the participants like situation of women fraternity after 70 years of independence, their security, etc. A very healthy debate content revealed under the topic "Uniform Civil Code". Uniform civil code is the proposal to replace the personal laws based on the scriptures and customs of each major religious community in India with a common set governing every citizen. These laws are distinguished from public law and cover marriage, divorce, inheritance, adoption and maintenance.

1. One Day Workshop on NoSQL Databases-MongoDB.

Speaker: Mr. Mubark Pathan (EmTec Inc Pune),

Mr. Umashankar Thakur (Persistent System Pvt. Ltd) and

Mr. Tauseef Malik (Vertex InfoServices (P) Ltd).

Date: 10th Sept 2016 **Time:** 08.00 am to 4.00 pm **Venue:** Seminar Hall-509

Total No. of Present students: 85 (TE Computer)

Summary:

One day Workshop on “NoSQL Databases-MongoDB” was successfully organized by Department of Computer Engineering, Modern Education Society’s College of Engineering, Pune in association with CSI Student Branch on 10th Sept 2016.

The workshop commenced with inauguration by the Head of Department. Dr.(Mrs) N. F. Shaikh followed by welcoming and introduction of the experts by Ms. Sanika Sinalkar. Experts for workshop were Alumni Students of Computer Department namely Mr. Mubark Pathan, Mr. Umashankar Thakur and Mr. Tauseef Malik.

The Workshop was arranged in three different sessions which includes theoretical explanation of NoSQL databases and Hands-on learning exercises for students. The first session was conducted by Mr. Tauseef Malik in which he brief about:

- ✓ What is NoSQL Databases?
- ✓ Types of NoSQL Databases?
- ✓ Differences between SQL & NoSQL databases.
- ✓ Introduction to MongoDB and Basic Operations of MongoDB.
- ✓ Hand-on installation process of MongoDB.

In second Mr. Umashankar Thakur brief about Mongoddb-Aggregation operation and hands-on session on Java-MongoDB connectivity and different aggregation operation was conducted. In last session Mr. Mubrak Pathan explained implementation step for blog and newsletters assignment using java and Mongoddb.

The workshop ended by presenting vote of thanks to Principal Dr. A. A. Keste, Vice Principal Dr. V. N. Raibole, Head of Department Dr.(Mrs) N. F. Shaikh, Teaching and Non-Teaching Staff of Computer Department, Experts of Workshop and last participants for their valuable support.

2. One Day Workshop “WeBind-Online Application Development Nanocourse for Classroom”

Speaker: Mr. Anuj Kothari

Date: 8th Feb 2017

Time: 11.00 am to 1.00 pm

Total No. of Present students: 100 (TE Computer)

Venue: Seminar Hall-509

One day Webinar on “WeBind- Online Application Development Nanocourse for Classroom” was successfully organized by Department of Computer Engineering, Modern Education Society’s College Of Engineering, Pune.

The Workshop was arranged online sessions which include details about Ionic.

Ionic is a complete open source SDK or hybrid mobile app development. Built on top of Angulars and Apache Cordova Ionic provides tools and services for developing hybrid mobile apps using Web technologies like CSS,HTML5, and Sass. Apps can be built with these Web technologies and then distributed through native app store to be installed on devices by leveraging Cordova. Ionic was created by Max Lynch, Ben Sperry, and Adam Bradley of Drifty Co. in 2013.

3. Faculty Development Program on Microprocessor Laboratory

Date: 23/12/2016

Time: 9:00 am to 05:00 pm

Venue: 514 (Seminar Hall)

Total No. of Participants: 105

A Faculty Development Program for the practical, Microprocessor Laboratory, was successfully conducted on 23rd DEC 2016, by the Department of Computer Engineering, MESCOE, which witnessed an enthusiastic response and participation from staff of various engineering colleges affiliated to SPPU. The program commenced with a welcome speech by Principal and Vice Principal of MESCOE Pune Dr. A. A. Keste and Dr. V. N. Raibhole. In their introductory speech, they mentioned that the need to increase readiness of the staff members to be able to accept the change in the contents of the subject.

Speakers: Padma Shri Dr. Deepak B Pathak

Date: 06th January 2017 & **Time:** 11.00 am onwards

No. of Student: 70 (TE Computer) and 80 (TE Electronics & Telecommunications)

One day Webinar on “Smart India Hackathon 2017” was successfully organized by Department of Computer Engineering and Electronics & Tele-Communication, Modern Education Society’s College Of Engineering, Pune on 06th January 2017 through Facebook. 'Smart India Hackathon 2017' is a pan India 36 hour nonstop digital programming competition.

The participating teams will simultaneously compete from across 33 locations in India to offer digital yet sustainable innovative solutions to solve real time challenges faced by the nation. It will harness the creativity of millions of bright young minds like you. In the session idea about was given by Padma Shri Dr. Deepak B Pathak who is working as a Professor in IIT Bombay, with he is working as a Scientist. He has motivated to the students regarding the Hackathon Event and Innovations as well as its advantages in career.

The aim of the workshop is to create awareness among the technology students especially from Information Technology (IT) and Electronics field to motivate them for their active participation in world’s largest Hackathon which will be organized in Feb-March 2017. Colleges will nominate a minimum of two faculty members who are actively involved in the activities relating to coding and software development, for the workshop. These faculty members will further disseminate the awareness about workshop in their respective institutions.

7. Two Days National Conference- RACE-2017 (Sponsored by CSI Pune Chapter)

The National Level Conference on Recent Advances in Computer Engineering (RACE 2017) organized by the Department of Computer Engineering on 16th and 17th March 2017. The conference was sponsored by CSI Pune Chapter. It was the 5th consecutive national conference successfully organized by department of computer engineering.

RACE 2017 has been the premier forum for presentation of new advancement and research in the field of Computer Engineering. The conference has brought together Researchers, Engineers and Scientist in the domain of interest from variety of disciplines such as Computer, Information Technology, and Electronics & Telecommunication Engineering etc.

Participants from numerous colleges of various universities and different states (Punjab, Tamil Nadu, Maharashtra, Kerala, and Karnataka) submitted papers for RACE 2017. After scrutinizing all the papers by expertized reviewers, 73 research oriented papers have been selected for publishing in proceeding of RACE bearing ISSN No 2347–3649.

The conference started with the inaugural function in the presence of Chief Guest Dr Vinay Vaidya (CEO, VMAS Consulting, Pune) , Principal Dr A. A. Keste, Vice Principal Dr. V. N. Raibhole, Convener Dr (Mrs). N. F. Shaikh and Organizing Secretary Prof. S. R. Khonde. Inaugural ceremony enhanced the event and released proceeding followed by keynote session provided by Dr. Vinay Vaidya based on “Research and Innovation”. Principal Dr. A. A. Keste and. Vice-Principal Dr. V. N. Raibhole, expressed the idea behind conducting such conferences during their speech. Convener Dr (Mrs). N. F. Shaikh, gave welcome speech and encouraged all the faculty and participants. Organizing Secretary Prof. S. R. Khonde, conveyed overall summery about the conference to the audience.

Chief Guest Dr. Vaidya holds a Ph. D. in Computer Vision and Image Processing from the

University of Washington, Seattle.

All the papers selected in conference were presented by participants during multiple sessions according to domain. Assessment of presentation was done by session chairs along with internal experts. In each session, best paper was selected and rewarded with “Best Paper Certificate”. Certificates with proceeding of conference were distributed during Valedictory Function by dignitaries. The vote of thanks ended the occasion successfully.

In a nutshell, the conference exceeded to a new and unique level of excellence. It is thus the peak where technology and skill meets opportunities and guidance.
